Computer Facilities for General Use

All student houses have student accessible Windows and/or MacOS based computer labs for general use. There are also computer labs located in Science Center Rooms 109 and 127, Davis/Merrick Room 152, Marshall Brooks Library Lab Room 157, Voney Art Center Room 102, including specially equipped and virtual labs. Most of these computers are available to students 24 hours a day, 7 days a week. The Marshall Brooks Library (https://library.principiacollege.edu/welcome/) is open according to posted hours for students and the public. All of the buildings and houses are networked and have hard-wired and wireless internet access. All student houses and academic buildings are equipped with networked Multi-Function Printers for student use and are available at any time. Making use of "Find-Me-Print" allows students to retrieve print jobs from any public printer by using their student ID. Each student is provided a Principia email address, unrestricted internet access, Google Drive web storage, a local network personal storage drive, and access to the full suite of Microsoft 365 applications through https://portal.office365.com that can be used while enrolled at Principia.
