

Minor in Physics

A minor in Physics requires five courses:

Code	Title	Semester Hours
PHYS 201	Phys for Scientists/Engrs I	4.0
PHYS 202	Phys for Scientists/Engrs II	4.0
PHYS 203	Phys for Scientists/Engrs III	4.0
PHYS 204	Phys for Scientists/Engrs IV	5.0
PHYS 283 or one course numbered between 301 and 399		3.0-4.0
Total Semester Hours		20.0-21.0

Note that MATH 181 Calculus I and MATH 182 Calculus II are prerequisites for PHYS 201 Phys for Scientists/Engrs I, PHYS 202 Phys for Scientists/Engrs II, PHYS 203 Phys for Scientists/Engrs III, PHYS 204 Phys for Scientists/Engrs IV, and that MATH 283 Multivariable Calculus is required for most 300-level physics courses.
