2 *Minor in Sustainability*

SUS 401	Sustainability Project (minimum 3 SH)	3.0
Total Semester Hours		18.0-21.0

Note: No more than two courses may be taken from any single academic department other than Sustainability.

¹ Note that a prerequisite of ECON 203 is required for this course.

² Note that a prerequisite of BNR 191 or CHEM 133 or CHEM 201 is required for this course. BNR 191 is offered as part of the bio-block and is only available to those students who choose to take all of the courses in the bio-block. CHEM 133 is the third course in the Fundamentals of Chemistry series and would require the fulfillment of course prerequisites prior to enrollment in CHEM 133.

³ Note that a prerequisite of one studio art course is required for this course.
